

Notice of Methods and Means for Electronic Communication

Please note that **the little bank, Inc.** does not contact consumer customers via email or other electronic communications. Cash Management customers may receive periodic electronic communications as discussed when your account was set up. If you receive an unsolicited email that appears to be from the little bank, Inc., you should not open it or respond to it without contacting your local branch to confirm the validity of the email. You should also never provide any confidential information via email. Please report any suspicious emails or incidents to your local branch or contact Online Banking Support at 866-638-0552. A listing of local branch contact information is available at www.thelittlebank.com.
